

We cannot accommodate:

Students needing more than once a week intervention on an ongoing basis

Students who have been in counseling long-term in the past and want to continue care in that format

Students with long-standing and/or significant depression, mood disorder, or anxiety concerns

Students requiring more specialized or intensive treatment (e.g., chronic eating disorder symptoms posing a medical danger; students with significant trauma history who would be better served by long-term trauma-informed therapy).

Students manifesting psychosis

Students with moderate to severe substance use problems

Students in need of forensic evaluations

Students with a history of multiple psychiatric hospitalizations

Students with a history of multiple suicide attempts, chronic suicidal thoughts, or

frequent self-harm behaviors, and the Wellness Center clinician feels that a higher level of care is needed. (n)

To assist you in finding an off-campus provider, students can use the following:

patients within 24 business hours for sick visits and one week for well visits or screenings. Failure to cancel an appointment 24 hours prior to appointment will result in a \$20 "No Show" fee charged to the student's account. If a student is more than 10 minutes late for an appointment, the Wellness Center reserves the right to reschedule the appointment. The Wellness Center offers in person or telehealth appointments. We do not provide health care services to students outside of the Wellness Center (i.e. in a residence hall, classroom, or dining hall).

Cost

A nominal fee is charged to the students account for each health service visit. In addition, the Wellness Center is able to provide some point-of-care testing (e.g., COVID, strep, mono, and flu tests) for a small charge. A number of common prescriptions and over-the-
